“How to use the ISO Catalogue”

The online ISO Standards listing integrate both the ISO Catalogue of published standards and the ISO Technical programme of standards under development. From within the listing, the user can choose to display, as required, Published standards and/or Standards under development and /or Withdrawn standards and /or Projects deleted.

he following prefixes similarly denote joint international standards:

ISO/ASTM joint ISO and ASTM (American Society of Testing and Materials) International Standard

ISO/CIE: joint ISO and CEI (International Commission on Illumination) International Standard

ISO/HL7 joint ISO and HL7 (Health Level Seven) International Standard

ISO/IEEE: joint ISO and IEEE (Institute of Electrical and Electronics Engineers) International Standard

ISO/OECD joint ISO and OECD (Organization for Economic Co-operation and Development) International Standard
